PODIUM CEREMONY

The top 5 Elite Men and Women, 5 UCI Junior Men and Women must attend the podium ceremony, properly dressed in their team kit (jersey and shorts).

The podium ceremony for UCI Men and Women Elite will be done at the conclusion of the Men's XC race. The times mentioned in the event schedule above are approximate. The top 5 riders should attend the podium area when called.

The podium ceremony for UCI Junior Men and Women will be done at the conclusion of the Junior XC Race. The times mentioned in the event schedule above are approximate. The top 5 riders should attend the podium area when called.

ANTI-DOPING

Given the high level of sanction, it is anticipated that this event will be selected for doping controls. The doping control station will be located within the venue, close to the start / finish area. A sign will be posted designating the doping station.

While chaperones will be present to notify riders of selection for testing, team managers and riders are still advised that it is always their responsibility to check at the doping control station to see whether or not they are required for testing. Any rider entered in the event may be selected for testing – not just those who place on the podium.

All riders selected for testing must bring a piece of government-issued photo identification and their UCI International License with them to present to the Doping Control Officer.

As usual, chaperones will first accompany riders selected for testing to the podium (if they are required there) and then to the doping control station.
